

**John Wilson Education Society's
Wilson College (Autonomous)**

**Support for Students from Manipur
Admissions 2023-24**

This academic year Wilson College has taken the decision to help students from Manipur.

Both Mackichan Hall and Pandita Ramabai hostels have reserved seats for them.

Junior and Senior College Admission Committees have accommodated students who are unable to procure official documents or have applied late.

If applicants require some relaxation in the admission fees payment requirements, the College will consider such requests.
