

John Wilson Education Society's
Wilson College (Autonomous)

NOTICE

All students who were given Provisional Admission in the last Academic Year (2023-24) were informed at a meeting in the AV Room on 4th July 2023, that there would be a One-Time Additional Exam in July 2023 to give students of the old/autonomy batches the chance to clear pending ATKTs. Therefore there will be no other Additional Examination or Provisional Admission for students who don't qualify for Semester Five/Third Year in the semester end examinations this Academic year.

From this academic year (2023-24) onward, the Equivalence Committee will calculate the transfer of credits from the Non- NEP system to NEP system, and accordingly, an ATKT student's qualification for admission to the next year will be determined.
