(Autonomous)**

Admission Notice

For the Academic Year 2022-2023

Students (In house and Outsiders) who wish to take admission in Wilson College for the Aided and Unaided Programs, should check the College Website regularly for information and updates regarding admission schedules and procedures.

Please do not send emails or call the college- Currently it is not possible for the college to respond to these.

You are also requested not to call members of the faculty on their personal phones for information.

Information for First Year admissions will be displayed as soon as there is official notification from the authorities concerned with regard to HSC/CET exams.

You are assured that College will display all information pertaining to admissions following all protocols and in a timely and orderly manner.

Regards

26.05.2022
