

STUDENT SATISFACTION SURVEY RESULTS

- The Questionnaire is broadly classified into Academic ethos, student support quotient and administrative ease in the institution.
- The Academic component is classified into the quality of education received, interest generated and relevance of education to the real world. Another related part to academic reflects on the quality of faculty and co – curricular an extracurricular activities conducted by college. It also looks in extent of academic support received by disadvantaged students. A section of Student Satisfaction Survey (SSS) is also related to library as a learning resource.
- The second part of questionnaire is related to students support in terms of counselling /mentoring, financial aid and scholarship and career internship and placement by the college. Facilities provided by the college for the overall development of students such as nature club, Gymkhana, cultural centre, AVC and more. It also looks into the extent of opportunities are made available for personal growth and inculcating institutional and Universal values among students.
- The Questionnaire also focuses on administrative and infrastructural facilities available for students.
