09.06.2022

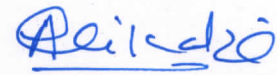

This is to inform all the students seeking hostel admission in the **Pandita Ramabai Girls Hostel** and **Mackichan Hall Boys Hostel** for the academic year 2022-23, that the hostel form will be accessible only after the College admission is secured and the College fees is paid.

Kindly note the hostel form requires details of College admission and uploading of College fees receipt and hence the form will not open until the fees are paid. You are requested to be patient and follow the procedure. Once the hostel form is filled the selected candidates will receive the fee payment link. Students are required to take a print out of the filled form and the hostel fee receipt and submit the same with the supporting documents in the Wardens office during allotment of the hostel room.

In case if the lectures begin before the allotment of hostel room, students will have to make their own staying arrangement.
